A joint lecture meeting on the Topic 'Stress Management - Way to Happiness' was held by the Institution of Engineers (India), U.P. State Centre and Indian Society for Training & Development, Lucknow Chapter at Engineers' Bhawan, River Bank Colony, Lucknow on 17th March 2019.

Er. M. M. Khan, FIE, former General Manager Hindalco-Renupower, presently Chairman of ISTD Lucknow Chapter, a well known Corporate Trainer & Motivational Speaker, was the key note speaker in the event. In an interactive session he said that stress affects all of us. You may notice symptoms of stress when disciplining your kids, during busy times at work, when managing your finances, or when coping with a challenging relationship. Stress is everywhere.

A little stress is OK -- some stress is actually beneficial -- too much stress can wear you down and make you sick, both mentally and physically. Stress is a very real emotional issue but, not all stress is bad. Modern life is

full of hassles, deadlines, frustrations, and demands. For many people, stress is so common that it has become a way of life. Stress isn't always bad. In small doses, it can help you perform under pressure and motivate you to do your best. But when you're constantly running in emergency mode, your mind and body pay the price.

Earlier the meeting started after lighting of the lamp. Thereafter Er. R.K. Trivedi, Chairman of the IEI, U.P. State Centre welcomed the guests. Mr. Shishir Jindal, Convenor (Programmes) of ISTD - Lucknow, introduced the guest speaker. The meeting concluded with a vote of thanks by Shri Prabhat Kiran Chaurasia, Hony. Secretary.
