From Chairman's Desk

Dear Brother Engineers,
 Congratulations for the festive season started from Krishna Janmashtami in the beginning of September and continued with birthday celebration of Bharat Ratna Sir M. Vishwesveraya, Vishwakarma Puja, Eid, Navratri and Dussehara festivals during the past two months. Also greetings and best wishes for Deepawali in the next month. We celebrated the Engineers Day in a befitting manner with Honorable Sri Governor Sri Ram Naik ji as our Chief Guest on the occasion. During his address he said that he could not fulfill his dream to become an Engineer because of the financial constraints of his family. Probably he would not have been aware of the institution of Engineers (India) which impart Engineering education through AMIE courses, which was given Royal Charter in the year 1935 recognized in India and abroad. What a coincidence that Dr. L.V. Mulikrishna Reddy, in his address during the felicitation ceremony at the same premises in the last month, also said that he is viewing to establish a University to progress its educational activities to cater to the needs of the aspirations of the Engineering profession where the present IEI Education delivery options are progressed quickly to the University mode. We must endeavor to make our AMIE system of the Examination fool proof to avoid any anti criticism and serve the students who cannot attend the costly Engineering education in the country because of financial constraints.

We celebrated World Habitat Day with Chief Guest Prof. (Dr.) Jagbir Singh, Dean, Faculty of Architecture, Dr. A.P.J. Abdul Kalam Technical University, and World Standard Day with Chief Guest Dr. N.K. Bansal, Director and HOD, Indian Standard Bureau, Lucknow. All the celebrations were widely covered by the Print Media for the awareness and benefit of the society.

Next month AGM of the State Centre will be held and through this column I request all the members to attend the AGM in large numbers and to give your feedbacks along with your valuable suggestions to enhance the pace of the activities at the State Centre.

Report on Engineers Day

The Institution of Engineers (India), U. P. State Centre celebrated Engineers Day on September 15'2015 at the State Centre Auditorium to commemorate the birthday of great Engineer of the country Bharat Ratna Sir M. Vishvesvaraya. The **Chief Guest Sri Ram Naik, Hon'ble Governor of Uttar Pradesh**, inaugurated the function and paying his tribute to the great Statesman Engineer specially mentioned Vrindavan garden and Krishna Sagar Dam as his great works which is being visited by tourists, lovers of natural state and the technocrats from all over the country. While expressing his thoughts on the theme of the year, 'Engineering challenges for the knowledge Era' he jolted the minds of the august gathering by saying as to why the country is unable to get Engineers like Vishvesaraya after the Independence. He opined that the timely completion of Projects with quality generates the credibility of Engineers in the society and mentioned the splendid strong structures of 'Bhul Bhulaiya' in Lucknow and the Taj Mahal in Agra, which are still praised by visitors from all over the world. Hon'ble Governor also released the Souvenir brought on this occasion.

Report on World Habitat Day

The world habitat Day was celebrated at the U.P. State Centre on 5th October 2015. Chief Guest Prof. (Dr.) Jagbir Singh, Dean, Faculty of Architecture at Dr. A.P.J. Abdul Kalam Technical University, U.P., while speaking on the theme of the year, 'Public Places- for all' said that open space is life line of any City. He emphasized that open spaces should be designed in harmony with the surrounded buildings in the area as buildings and open space are complimentary to each other. While elaborating the importance of Open Space he said that Utilization of open space is done to beautify the city, to develop as a space for cultural and social events for developing harmony in the society or even to construct a stadium for games and sports and so it should be designed in such a way that it's natural beauty might be enjoyed by one and all whether he a pedestrian or driving in a vehicle. Parks should have wash rooms, adequate lighting arrangements and CCTV cameras considering the safety of the Public.

(L-R) Sri V.B. Singh, Prof. (Dr.) Jagbir Singh and Sri A.K. Gupta

Earlier Sri A.K. Gupta, Chairman, U.P. State Centre welcomed the guests and informed that Uttar Pradesh Government is working on a plan to develop the spaces lying under the Over bridges in the cities as a Green Space. Sri V.B. Singh Immediate Past Chairman and Convener of the event opined that encroachments on public land and open spaces, e.g. foot path and parks, should be declared as a cognizable offence so that effective action may be taken by the local bodies against the culprits. Sri Praveen Malhotra Honorary Secretary proposed the vote of thanks.

News from Head Quarter Membership Drive

Dear Corporate Members,

The Institution of Engineers (India) is the largest and oldest professional body in India. It was incorporated in 1920 and has since spread to 114 centres across our country. Presently there are about 1 million members and we are aiming to reach the 2 million membership by our centennial year in 2020.

My request to every Corporate Member is **"Each One Bring One"**, bring at least one new member to join our growing family. Lets help building a stronger IEI that will bring credibility to our engineering profession and impact policy-making in all spheres.

We, the Members of IEI should pledge to double our membership by 2020.

Best wishes,

LV Muralikrishna Reddy PhD, FIE, IntPE, FIET(UK), CEng(UK)
President, The Institution of Engineers (India)

Report on World Standard Day

(L-R) Sri V.B. Singh, Sri A.K. Gupta, Sri Praveen Malhotra & Sri R.K. Pandey

The World Standard Day was celebrated by the U.P. State Centre on 14th October, 2015. Chief Guest Sri N.K. Bansal, Director and HOD, Indian Standard Bureau, Lucknow, while speaking on the theme, asked the audience to imagine a World where your Credit Card is not accepted by other ATM machines because of different design of either the machine or the card. Likewise imagine that you purchased a bulb but you could not be able to fit in the holder in your house. One cannot imagine a country at present without having a telephone and currency codes. He gave examples of traffic Signals, danger boards, symbols etc. which are understood by all irrespective of his native place or the language he know. It is because of the Standardizations of numerous activities used by masses in all over the World otherwise one would not have been able to share the information using mobiles, computers, printers, fax machines etc. of different makes and brands. International Standards are rosette stone for the technology. If different countries would not have followed a common standard, it would not have been possible to do routine works lie using credit/debit cards during journeys, surfing the web for information or even to do telephone calls from different countries.

Earlier Sri A.K. Gupta, Chairman, U.P. State Centre welcomed the guests and said that our products must be in accordance with the International standards to increase the demand by other countries resulting into enhancement in the Export and boosting the economy of our country. Sri V.B. Singh, FIE, Immediate Past Chairman and Convener of the event gave detailed history of World Standards Day and its objectives. Sri Praveen Malhotra Honorary Secretary proposed the vote of thanks.

keeping in mind the welfare of the masses. He stressed the importance of The Institution of Engineers in the field of skill development and opined that the Institution of Engineers should have independent authority to develop the standards in Engineering constructions.

Sri Kishan Singh Ataria, Principal Secretary, PWD, Uttar Pradesh greeted the Engineers present in huge numbers in the hall and said that Engineers are elite class of the society who designs and present the final shape of the Projects with their full dedication and involvement during day and night.

Earlier Sri Arvind Kumar Gupta, Chairman IEI, State Centre and HOD, PWD, welcomed the chief guest and others. He informed about the background of creation of The Institution of Engineers in the year 1920 and being given Royal Charter in the year 1935 by the King George V. Sri V. B. Singh Immediate Past Chairman of the State Centre presented the brief but exclusive life sketch of Sir Vishvesvaraya and informed about his multi dimensional abilities in Engineering, Economic and administrative fields who lived, not for himself but for the Nation and praised him as a real 'Karm Yogi'. At the end Sri Praveen Malhotra, Hony. Secretary delivered the vote of thanks. The celebration commenced with the National Anthem.
