

World Environment Day-2016

Earlier Sri V B Singh, Past Chairman , The Institution of Engineers(India), UP State Centre, Lucknow welcomed the members and guests and informed about the institutions aims and objectives. Dr Paritosh Srivastava convened the programme and said that every aspect of pollution should be visualized and controlled effectively. He informed that to fulfill their aim an environmental control cell and innovation centre (Solar Engg) has been constituted in the leadership of Dean and himself in the campus of Ansal University. This cell educated teaching & non teaching staff to prevent pollution using various apparatuses and their efforts have resulted into minimizing the pollution in the University campus and surrounding areas. At the end Sri Praveen Malhotra, Honorary Secretary, proposed the vote of thanks.

Chief Guest Er Sumer Agrawal, Chairman Levana Group and President Clean and Green Environment Society praised the Institution for celebrating the World Environment Day every year and asked everyone to act on the outcome of the deliberations too. He also emphasized that there should be an action plan for continuous activities during the year for protection of environment. Speaking on this year theme of the Day, as declared from UNO 'Illegal Trade in wild life' he quoted Hon. Prime Minister Sri Narendra Modi, "Mana Andhera Ghana Hai lekin Diya Jalana Kahan Mana Hai". (माना अंधेरा घना है, लेकिन दिया जलाना कहाँ मना है) and said that we will have to work with full dedication for the **protection of wild life**, which includes the protection of forest land and trees as well, to protect the human life too. If the problems of illegal trade in wild life is not attended at the National and International level, it will become incurable and disastrous.
